

COMPLETE 1995 ALUMNI LIST

This is a complete list of Troy City Schools 1995 Alumni. This list was compiled from several sources (listed at bottom). If you see someone who is missing or doesn't belong, please let Brandy (Iddings) Joins know via Facebook or email (violinist10@hotmail.com) with the addition or correction. Included in this list are all 1995 graduates, those who got held back from our class, those who dropped into our class from the grade above ours due to credits, anyone who dropped out, those that moved away, exchange students, those who graduated early, and those that are deceased - from **7th grade through 12th grade**. I have removed those who were officially with the class of '94, but might've fluctuated in and out of our class during high school.

***RED BOLD CAPS** text = Classmates that are deceased

****Green Highlights** = Unsure if they truly belong to our class, officially
(**note: the Amit Patel, is NOT Amita Patel Class of '96)

*****Red Highlights** = Do Not Contact (does not consider themselves a Troy Trojan)
